Correspondence In	Request from Ellie Smith to address BRA mtg a second time re residents' concerns; Response from Ellie Smith's team appreciating BRA position	
Correspondence out	Response to Ellie Smith declining 2 <sup>nd</sup> visit	
General Business	Discussion of <b>debris build-up over drains</b> in many streets in Bunya, thereby preventing outflow in heavy rain, and leading to banking-up of water and street flooding. Council contacted about lack of general street-sweeping to clear leaves etc. to no obvious avail. Use of the " <b>Snap Send Solve</b> " app to photograph problem sites discussed as an effective means of alerting Council to blocked drains (also potholes and other issues) needing Council action. Related discussion regarding some residents' disposal of grass clippings and other vegetative material in the street drains and the harms this causes.	Debra to explicitly discourage residents from disposal of grass and other refuse in drains
NHW report	2 drug offences Bunya Downs; car theft Jinker Track
